**Drain Bonded Item** ♦ **Frequency** Once per day; **Requirements** Lady Nightshade hasn't acted yet on this turn. **Effect** Lady Nightshade expends the power stored in her amulet. This gives her the ability to cast one prepared spell she had already previously cast today, without spending a spell slot. She must still Cast the Spell and meet the spell's other requirements.

**Wicked Bite** ♦ **Requirements** Lady Nightshade damaged a creature with a jaws Strike on her last action; **Effect** Lady Nightshade maintains contact, turning the creature's flesh translucent around the site of the injury. She chooses one of two options, each of which requires a DC 30 Fortitude save. If the jaws Strike was a critical hit, the creature suffers both effects, using the same save result for both.

- **Drain Blood** Lady Nightshade drinks some of the creature's blood. On a failed save, the creature is drained 1 and she regains 5 HP (or, on a critical failure, it's drained 2 and she regains 10 HP).

- **Drain Vitality** (necromancy) Lady Nightshade draws out some of the creature's vital essence. The creature becomes enfeebled 1 for 1 hour on a failed save (or enfeebled 2 for 1 hour on a critical failure).
